

Policy against Anti-Social Forces

We eliminate all relationships with anti-social forces.

1. We conduct ourselves in a socially responsible manner and never have any relationships with anti-social forces.
2. We take a resolute attitude against anti-social forces, and refuse to countenance any inappropriate claim.
3. We do not have any transactions with anti-social forces or related groups.
4. We cooperate with external experts working to eliminate anti-social forces.
5. We do not complicit in anti-social forces for our corporate or individual benefit.
