

Policy on Sustainability

We aim to improve our corporate value through LOTTE Group Philosophy and contribute to the realization of a sustainable society.

1. Solving social issues through our business operations

We make proactive efforts to achieve a society in which people can be physically and mentally healthy and contribute to solving social issues through our business operations.

2. Pursuing safety

We extensively pursue the safety of products and services and contribute to improving the wellbeing of society by providing “good taste”, “fun”, and “comfort”.

3. Reducing the impact of our business on the environment

We understand that we are growing upon the blessings of nature as citizens of the earth and contribute to a low-carbon society and recycling-oriented society through our business operations.

4. Creating a workplace that enables our employees to maximize their potential

We respect the personalities and workstyles of employees, promote Life-Work balance, and create a workplace that enables our employees to maximize their potential.

5. Contributing to the realization of a sustainable society throughout the entire value chain

We contribute to realization of a sustainable society throughout the entire value chain in cooperation with stakeholders.

6. Establishing trust through productive dialogues with society

We comply with all laws and regulations, respect human rights, and conduct sincere and fair business operations based on ethics.

We establish appropriate and positive relationships with stakeholders and fulfill our social responsibilities such as fair competition, appropriate disclosure of corporate information, etc.
